“ The Bible Chapel is a wonderful place where ministry and the arts connect. They have a state-of-the-art facility, wonderful staff, great volunteers who love to pitch in anytime, and did I mention their top notch coffee shop? When we showed up, everything had been set up, their in-house catering was delicious, and they made sure the dressing rooms were stocked with snacks and refreshments. I've done several shows throughout the years in many churches. This is one of the best. ”
