

Welcome to The Bible Chapel Children's Choirs!

It is with great anticipation and joy that we welcome you and your child to Children's Choir! If you are new to the choir this season, we are glad you're here! We have two choirs divided by age and the choirs rotate Sundays for their rehearsals at 9am in the Green Room. We continue to have a faithful leadership team that loves children and loves to help them grow as musicians and worshipers of Jesus. The children will receive musical instruction as well as be encouraged to use their gifts and their hearts to worship our God. This Fall Semester the choirs will be singing in the Weekend Worship Services, at a local nursing home and for the Chapel's SAGE Christmas Event! We are excited to be back together this year with new music and new opportunities to grow!

Attendance Policy

We ask for attendance at all rehearsals and performances. Given our limited number of rehearsals, one absence is allowed per semester. All decisions about participation in performances and worship leading are up to the discretion of the director. A maximum of two absences are allowed to maintain a position in The Bible Chapel Children's Choir and to sing at performances; however, given the limited number of rehearsals, 100% attendance is strongly recommended. We understand that illness and emergencies do happen. If, for one of these reasons, your child is unable to attend rehearsal or a performance, please notify Chele Lopacinski, Dane Knight, or Suzie Ackerman as soon as possible either by email, phone call/text or post to the Children's Choir group in Realm.

Sign In and Pick up

For your child's safety, we will now be using the kiosks in the South Lobby for signing in and printing tags for all students. All children must be registered (with a name tag) BEFORE they can be accepted into the classroom. To pick-up your student, the three-digit letter code on the parent's tag must match with the letter code on the child's tag. If the codes do not match, your child will not be released. If you lose the parent badge, you must recite the phone number on the child's tag by memory and show identification. Children may not be released to another child; parents or older teens must be present. Grades 1-4, you will drop off and **PICK UP** your child in the green room. Students in grades 5 and 6 may walk to Sunday School together after Choir. Thank you for your understanding as we implement this new, safer process!

Thank you for allowing us work with your child! Let us know if you have any questions.
