1. How are you feeling about our surrounding counties entering the green phase and all that that means? If you are working right now, are you still working from home or do you know when your employer will be bringing employees back together? How are you feeling about going back?
2. What is one thing you are learning from the death of George Floyd and subsequent protests and other actions being taken? How is God working in your heart?
3. In his book, *The Knowledge of the Holy*, A. W. Tozer wrote, “What comes into your mind when you think about God is the most important thing about us . . . the most [momentous] fact about any man [or woman] is not what he at a given time may say or do, but what he in his deep heart conceives God to be like.” So...what comes to your mind when you think about God?
4. How would you explain to a friend what it means to know God personally?
5. Why is it important to understand that God is personal and majestic?
