PANAMA

their story

In 1992, Traci Delibasich, along with her husband, Mirko, started Word of Life (WOL) Panama in a rental facility. In 1994, they moved to their present location in Chame. On June 3, 2017 Mirko went home to be with the Lord, but Traci remains on staff with WOL Panama where she continues to serve the Lord. The Delibasichs have three children; Caleb was born in 1990 and lives in Panama, Rachel was born in 1992 and lives in New York, and Natasha was 1999 and is attending college in Panama.

The focus of WOL is evangelism and discipleship. Their main outreach is centered on various camp programs throughout the year. Every summer hundreds of youth come to experience summer camp (January-March), where the Gospel is preached in various ways throughout each week. WOL also hosts many other events to reach out with the Gospel, such as sports camps, college and career camps, marriage and family camps, and women and leadership retreats. The WOL staff run Bible Clubs in many different areas of Panama as well. They also share the Gospel in public schools through puppet shows, musicals and dramas, as well as in hospitals, jails, youth centers, orphanages and Indian villages.

recent prayer requests

Traci praises God for a safe flight to the U.S. for her and Natasha.

Pray for Traci as she is in the U.S. through Thanksgiving. She is getting personal business taken care of since Mirko passed away three years ago. Pray that she get everything done. Continue to pray for Traci and her children as they miss Mirko. Pray that God comforts their hearts each and every day.

Pray for Traci as she shares with pastors and churches to help raise funds for Panama's ministry operation funds. The WOL camp is not receiving any funds from renting out their camp facility so extra operational funds are needed for this year. Pray that God supplies everything that is needed.

Pray also that God would guide Traci in ordering parts for the tractor and rebuilt transformers for the camp. Pray that they are shipped in a timely manner and successfully reach Panama. Pray that this time of quarantine can be used to make a lot of needed repairs to the camp so they are ready to open as soon as the lockdown is lifted.

Pray for Natasha at Florida State University. Pray for Natasha's health and safety while she is at school and pray for her to have peace about being there and trust in the Lord for His care and protection.

Pray for Traci's children, for Caleb and Audrey to put God first in their marriage and for Rachel and Natasha to follow hard after God.

Pray for Panama as the government has continued their very strict quarantine and pray for the WOL team as they continue to deliver food bundles, containing a Gospel of John, to needy families who are without food. Pray that many are drawn to Christ through these gifts of food.
