

meet the **MULS**

PANAMA

their story

Juanpi is from Argentina and Celia is from Panama. They met at the Word of Life (WOL) Bible Institute in Argentina. They married in 2006 and immediately began working with WOL Panama. In 2008, they moved to the northwest province of Chiriqui, near the Costa Rican border, and launched a WOL ministry there. After nine years of living in Chiriqui, they moved back to Panama City in order to help the WOL staff with their children's program. They still minister in Chiriqui, but now from a distance.

During the school year, Juanpi and Celia lead Bible Clubs and minister through evangelistic drama productions. The goal of the Bible Clubs is to disciple the youth to be strong, biblically-sound leaders. Juanpi and Celia also visit schools in the area, presenting the Gospel in the elementary schools through puppets and in the secondary schools through dramas. They are presently members of a Chinese church, made up exclusively of young people, which allows them even more opportunities to minister to the youth of Panama.

During Panama's summer season, January through March, the Muls drive dozens of children and teenagers from their previous church in Chiriqui six hours to the WOL camp facility so they can attend a week of camp. During camp, Juanpi and Celia lead all of the programming, including the games and competitions.

The Muls have a beautiful daughter, Emma, who was born in March 2016.

prayer requests

Praise God that the Muls' church has started a mini online seminary for their church members during this quarantine time.

Juanpi and Celia are only able to leave their house for 2 hours a few days a week. But God has allowed Word of Life to make some great connections with the Ministry of Health during Covid 19. Juanpi and others of the team have been distributing food with the government workers and presenting the gospel with each food parcel.

Pray for Frank and Maricela, Bible Club leaders, who both have Covid-19, along with their youngest daughter. The parents are both hospitalized. Pray that God heals this entire family of the virus.

Pray for Juanpi and Celia's pastor and his family. A very difficult situation has arisen within their family. Pray that God will give the church leaders wisdom on how to handle this problem and healing will take place.

Pray for all the church members who are taking the online seminary courses that they would eagerly study God's Word and apply God's truth to their lives.

Pray for many people to be saved as they receive a food bag with a Gospel of John in it from Word of Life. Pray that there will be a great revival in Panama as a result of this virus and that God would use this bad situation for good.

Juanpi and Celia desire to do God's will during this time of shelter-in-place. Please pray that they would follow His leading and they would be blessed in their obedience to His calling.
